

Chloe Paradise Ang Ning was a student from Westwood Secondary from 2019 to 2022.

Paradise has a flair in the Chinese Language and was selected to participate in the Mother Tongue Language Essay Writing Competition in 2020. Paradise is also interested in History and seeks opportunities to learn more by participating in the Istana Heritage Gallery Challenge in 2019 and MOE History Challenge in 2021. Through these events, she learned about the history and development of Singapore and the factors that have made Singapore succeed against all odds. Paradise also took part in the Australian Mathematics Competition in 2019 where she was awarded the Certificate of Proficiency. Her positive learning attitude and hard work were recognised when she was awarded the Edusave Certificate of Academic in 2019.

Paradise enjoys playing badminton with her group of closely-knitted friends. He also participated actively in the school's sports events such as Cross Country, Sports Day, Inter-Class Basketball competition, Inter-House competitions such as Urbanathlon where she and her team came in First in 2021. Through these sports events, Paradise learnt to appreciate the importance of teamwork and sportsmanship.

Paradise has an inquiring mind and shows interest in gaining real-life experiences. She took up part-time work in various Food and Beverage outlets during her free time and learned communication skills from interacting with customers.

Paradise is a well-disciplined, trustworthy and responsible Class Vice-Chairperson who takes her duties very seriously and executes them with pride and eagerness. She helped to coordinate the classroom decoration and designing of the class shirt efficiently. She shows good judgement and is able to make sound decisions, thus earning the respect of her classmates. Paradise is able to speak confidently in front of her peers and teachers and always remains composed during stressful situations.

As a Cyberwellness Ambassador, Paradise and her schoolmates organised an event where she helped to set up booth and was involved in a skit to teach others about fake news and scams. Through these experiences, Paradise learned the importance of spreading awareness on how to identify such scams. She also took part in the Youth Cyber Exploration Programme to learn more about cyber security.

Paradise was a member of the school's badminton team from 2019 to 2022. Her passion for badminton could be seen in her commitment towards her trainings and she was always eager to accept new challenges. Her effort was recognised and she was selected to represent the school to take part in the National School Games (NSG) Badminton Championships in 2020, 2021 and 2022.

Paradise contributed back to the society by participating actively in various Values in Action (VIA) projects such as the Classroom Improvement Challenge in 2019, Social Entrepreneurship Challenge in 2020, Inclusiveness Through Innovation on 2021 and Project Love 8.0 in 2022.

Paradise is a conscientious and self-disciplined student. She is an intelligent and diligent who takes a genuine interest in her studies. Paradise builds cordial relationships with her peers and is considerate and encouraging towards them. She displays maturity and copes effectively with difficult setbacks.
